**5. NEW BUSINESS**

**A. AC Transit – Youth Fares (Subcommittee Report) – (Discussion / Action Item)**

Commissioners Morgado and Sastry contacted John Knox White (Transportation Board), but received no response. The discussion on the AC Transit fares for youth may increase/double if input is not given to the AC transit Board representing Alameda. Sterling-Vick mentioned the fare increase will negatively impact students at Home Project, Base, and Alternative in Action located at Alameda Point. Pinsky requested the subcommittee (Morgado/Sastry/Sterling-Vick) send a petition/draft letter opposing the fare hike, and also requested Elsa Ortiz (AC Transit Board Member) to attend the next/future Youth Commission for more information.

**M/S/C Pinsky / Carter (Unanimously approved)**

**Requested the subcommittee (Morgado/Sastry/Sterling-Vick) send petition/draft letter opposing the fare hike, and also requested Elsa Ortiz attend the next Youth Commission for more information.**

**B. Teen Needs Assessment Survey - (Discussion / Action Item)**

RS Russi provided a brief overview of a teen needs assessment. In 1994-1995 one was completed, but updates are needed for current information. Also, several years back, Development Services was working on needs assessment (REPORT CARD) which contained a section on teens. TC Wong informed Commissioners that other local City's (Alameda and Contra Costa County) are working on their needs assessment, which we can review and discuss for our Youth Commission. Staff and Audrey Lord-Hausman suggested the above to avoid the Commission from reinventing the wheel and to give them some expectation of the process.

**M/S/C Pinsky / Morgado (Unanimously approved)**

**Requesting Malissa Jones, Development Services, to speak on the Teen Needs Assessment at future Commission meeting and to have the Teen Needs Assessment on the next agenda.**

### **C. Sand Castle and Sculpture Contest - Judge Needed - (Discussion / Action Item)**
